

Educator Survey - General

Introduction

Thank you for agreeing to participate in a Survey for ManufacturingGPS.

Through EMC, ManufacturingGPS is an interactive online resource providing key information and benchmarking tools for HR, labour market, skills and capability needs. We are collecting information from organizations involved in the training of the manufacturing sector's labour force, seeking information on training capacity and partnerships with industry. ManufacturingGPS is a trusted resource to help the sectors make sound human capital decisions.

EMC is seeking your input to towards this important resource. This information will help employers and training institutions develop the workforce the manufacturing industry requires.

You have the following options for completing the survey. You may:

- Complete the survey online at [TBD](#)
- Fill out the survey and return it to us via...
 - Mail: P. O. Box 396, Owen Sound, ON, N4K 5P7 or
 - Fax at 519-376-6092

Institution Profile

This first section deals with the characteristics of your institution.

1. **Please provide the following information about your institution.**

Name of your Institution: _____

Postal Code: _____

2. **What type of educational institution do you represent?**

- University
- College/CEGEP
- Secondary school
- Registered Private Career College

If University in Q2 ask Q2b otherwise skip to Q2c

2b. Which of the following manufacturing related programs does your institution offer?

- 1 Aerospace and Physics Engineering
- 2 Architecture and Industrial Design
- 3 Biology
- 4 Chemical Engineering
- 5 Chemistry and Biochemistry
- 6 Computer Engineering and Computer Science
- 7 Electrical and Electronics Engineering
- 8 Food Science
- 9 Industrial Engineering
- 10 Mathematics
- 11 Mechanical Engineering
- 12 Metallurgical and Materials Engineering
- 13 Public and Environmental Health

If College in Q2 ask Q2c otherwise skip to Q2d

Q2c. Which of the following manufacturing related programs does your institution offer?

- 1 Aerospace and Avionics Technology and Related Fields
- 2 Cabinetmaking
- 3 Chemistry, Biochemistry and related technologies
- 4 Computer Science
- 5 Electrical and Electronics Technology
- 6 Food Science
- 7 Furniture Finishing, Upholstering and Repair
- 8 Industrial Design and Drafting
- 9 Industrial Engineering and Manufacturing Technology
- 10 Machining
- 11 Millwrighting
- 12 Pipefitting
- 13 Power Engineering
- 14 Printing and Graphics Technology
- 15 Public and Environmental Health
- 16 Textile Design and Production
- 17 Tool and Die Making
- 18 Welding
- 19 Wood and Forest Products Processing

If Secondary school or Registered Private Career College in Q2 ask Q2d otherwise skip to Q3
2d. Which of the following manufacturing related programs does your institution offer?

- 1 Enter program #1
- 2 Enter program #2
- 3 Enter program #3
- 4 Enter program #4
- 5 Enter program #5

Programs in Development

4. **What new manufacturing-related programs is your institution currently developing?**

- Specify: _____
- Currently not developing new manufacturing-related programs
- Don't know
